

New Hope Gladiators

Athletic Program

Purpose: Our program is designed to use mentoring, guidance and athletics as a tool to obtain an education. In the athletic program we will focus on mentoring, athletics, advisement, leadership, education and scholarship to help promote student athletes to attend a two/four year college, military or gain employment. The ultimate goal is to help these young men get a high school diploma that will allow them to get a job or attend a two/four year institution.

We are not a school, but we are a homeschool consulting program that is designed for athletes who loves to play sports. Our athletic program is designed for home school, private school, public school and virtual school students who wants to play sports.

Mission: The mission of the program is to work with and help non-traditional high school athletes that wants to participate in sports during high school maintain their *core GPA* and standardized testing score, in order to become eligible for college admission. Our goal is to provide athletes with an opportunity to gain college entry and compete at the collegiate level.

Goal: To make sure that our student athletes maintain required GPA to stay eligible to participate in athletic and graduate high school with a diploma. NHLA is striving as a unique program to do great things, so that our players will be the best in a world full of competition.

Who Can Attend?:

- Students educated by SC Code of Law 59-65-40,45-47 (Homeschool)
- Students educated by SC Code of Law 59-16 (Virtual School)
