

New Hope Leadership Academy

INFORMATION SHEET

Dear Parents and New Hope Leadership Academy Mentees:

You have been invited to become one of the founding members and mentee's of New Hope Leadership Academy. New Hope Leadership Academy has identified males in Richland and Lexington Counties that have shown character and leadership and would benefit from academic, social and economic uplift and who have a desire to be nurtured and developed intellectually and spiritually through persistent and deliberate instruction. These young men range from grades 8th-12th or ages 14-19.

We will facilitate the following or similar activities or functions:

Life Skill Training Sessions	Test Taking Strategies Workshops (ACT/SAT)	Empowerment Panel Discussions
Career Development Trips	Job Shadowing	Furthering Fathers
College Campus Tours	Financial Literacy Sessions	Community Service & Projects

Mentor-Mentee Relationships:

The men of New Hope Leadership Academy will serve as the facilitators of the Academy. They will also serve as mentors or liaisons to foster and promote the fundamental principals of the "MALES" program (Mentoring, Advisement, Athletics, Leadership, Education, Scholarship) in the daily lives of these young men.

We will meet once a month on the Fourth Saturday mornings from 10am-12pm. We will incorporate college tours, career development and community service trips that will take the place of the monthly meetings. There is no cost to participate in the program and any financial assessments throughout will be discussed in more than enough time to prepare for it.

Your main point of contact will be Demond Logan (803-719-3882) or Troy McCoy (803-553-5804). We also can be reached by email at nha.gladiators@gmail.com. We appreciate your confidence in us to pour into your son(s) and look forward to growing New Hope Leadership Academy with this founding group of young men.
